NMNA, NAS Pensacola FL: claimed but not salvaged Champlin Fighter Museum, Mesa AZ (complete aircraft located at 500 feet depth, planned salvage stopped .00 by US Navy legal action; cockpit canopy recov. by submarine .94 for Champlin)	2.9.43 95/08 94/00
-	TBD-1	Bu1515	ditched in lagoon, Jaluit Atoll, Marshall Islands, Pacific complete hulk located under water in lagoon, Marshall Islands, Pacific salvage considered by NMNA, estimated cost \$2M	1.2.42 06

Note: NMNA is intent on acquiring one of these for display. TBDs took part in the Battle of Midway and the type is reportedly considered the most important WWII naval combat aircraft missing from their collection. However cost of salvaging the Marshall Islands TBDs was estimated at over US\$2M in 2006.
